

STUDYING AT RUBAGA YOUTH – VOCATIONAL SKILLS TRAINING CENTER

BRICKLAYING AND CONCRETE PRACTICE DEPARTMENT

Background:

Rubaga Youth Development Association (RYDA) was established way back in 1992 as a community Based Organization (CBO). In 1996, it was duly registered with the NGO as well as a company Limited by guarantee without shares.

Vision:

To make a positive impact on these young children.

Mission:

To develop and promote human values and skills with a view of building and enhancing development.

Goals:

To create an environment that is conducive to good learning and to provide quality professional training that is at the same time affordable to public.

Objective:

Train job makers than job seekers.

Train competent professional builder and promote excellence in this field.

Train them to become well.

Training:

- Technical.
- Craft Science.
- Craft Calculations.
- Bricklaying and concrete practice theory/Technology.
- Practicals.

Courses:

- Certificates: (2 years) Grade 1.
- Certificate: (3 years) Uganda Junior Technical Certificate (UJJTC).

Entry Requirements:

- O'Level or A' Level or UJTC or equivalent working experience
